It appears that the marriage amendment will pass. If my early understanding is incorrect please disregard. However, as it appears the marriage amendment will pass, I want to take the first opportunity as a taxpayer to order the county board and city council to suspend all partner benefits at the earliest possible opportunity in accordance with Wisconsin law. Thank you and good night.

Paul

You can choose to not reply, however I must advise that you are subjecting your offices and taxpayer funded operations to legal remedy. Thank you. And thank god for the citizens of Wisconsin for showing this obscene island of Dane County what the majority really thinks.
